1. Claims 1-11,41-43 are rejected under 35 U.S.C. 251 as being improperly broadened in a reissue application made and sworn to by the assignee and not the patentee. A claim is broader in scope than the original claims if it contains within its scope any conceivable product or process which would have infringed the original patent. A claim is broadened if it is broader in any one respect even though it may be narrower in other respects.

The examiner acknowledges Assignee's "Statement of Facts in Support of Filing a Behalf of Nonsigning Inventor (37 CFR 1.47)". However, 37 CFR 1.47(b) requires a petition and appropriate fee. Such a petition is decided by the Office of Petitions, not the examiner.

2. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.

3. Claims 1-11,41-43 are rejected as being based upon a defective reissue oath/declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the oath/declaration is set forth in the discussion above in this Office action. As stated in MPEP 1414, a statement of "failure to include a claim directed to..." and then presenting a newly added claim, is not considered a sufficient "error" statement since applicant has not pointed out what the other claims lacked that they newly added claim has or visa versa. Any error must be identified by reference to the specifics and the specific claim language wherein lies the error.

The amendment filed 4/24/06 proposes amendments to claims 1,4 and 11 that do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required. (It is noted that applicant has cancelled claims 41-43 with the amendment of 4/24/06. However, since the amendment is considered improper, these claims remain pending until a proper amendment is filed)

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.
